NATIONAL UTAH TOKEN SOCIETY  
**N.U.T.S.**

*Dedicated to the collecting, recording and preserving of Utah's historical medals, tokens, coins & bottles. Originated in 1982*

Next Meeting: September 26, 2019 7:00 PM

Volume: 38 Issue: 9

Columbus Center 2500 S. 500 E. Room 106

Hello Everyone,

The weather is changing and fall is finally here. It's great weather to be out metal detecting. I've been hearing of some amazing finds the last several months. I am sure that there will be some incredible entries in the finds of the month competition.

Thanks again to everyone in attendance to last month's successful picnic. I believe that everyone came away with one or more prizes, especially the kids.

This month, I need to be excused because of commitments with Parent Teacher Conferences. I have asked Ken Webb the vice president to conduct the meeting. The speaker we have planned will be Casey Dittman. He will present on basic metal detecting techniques and types of machines to use, along with a video segment on the ghost town of Cumberland, Wyoming. This will be a great evening of information that we can all learn from.

Also this month we have lost a fellow detectorist, Mr. Don Harsch. He attended the Utah Treasure Association (UTA) Club. Many in our club have known Don in some shared outings for a number of years. We express our sincere condolences to his widow, Bonnie, and family.

Our Buffalo Trivia will be postponed till next month. I will have two questions at the October meeting.

Thanks for your time and support. Please come out for a great evening.

## News and Events

Congratulations to the first five Utahns  
to find the San Antonio 2019  
West Point Quarters submitted to PCGS

The first person to find a San Antonio West Point Quarter is from Texas, which he got before the official release date. The people from Utah are: Daniel C., Mont T., Kurtis B. of Layton, and a woman that sold her coin to Legacy Rare Coin Shop. The other Utahn was not available to be listed. Mont if you would like to show the club your fun find, that would be really interesting to hear your story.
